“ *Ida had a sweet and kind soul. She tried to help everyone. She loved to laugh, cherished her family and adored her pets. She had an amazing memory and I heard her speak often of her childhood and all the fun adventures. I will truly miss her. I'm sure she's happy with her mom and dad. Rest In Peace sweet lady!* ”

She is actually 65. Her birthday isn't until October when she would have been 66. I know petty little thing to notice but she was 3 months older than me. We spent a lot of our lives growing up together so I know she would notice you're making her older than she is.
