“ *It was such a blessing to know Mrs. Irene Francis. My family and I went to church with her several years ago. She was very dear. I saw her a few months ago and she asked about my mom and dad as well as my husband and children. She was so caring and thoughtful! We extend our sincere sympathy to her family. Jim and Sandy Hall*

“ *Ms. Francis was such a sweet lady. I met her and her husband several years ago when I worked at Foodtown in Stanton. We had some great conversations about their garden and my Fathers garden. Loved them both so much.*

“ My family and I have been blessed to know Irene and Sam when our community became better for their moving to Powell Co. from Hazard. They both were the "salt of the earth" kind of folks that you knew were hard working, honest, and always there when you needed a friend or an ear to talk to. I am sure they will be the same while Sam shows her all around her new home! The James Ed and Kathryn Dennis Family
