“ He was my uncle in law and he meant a whole lot to me and my kids... I will never forget all the good times that we have been so blessed to have with him... I miss him so bad and things will never be the same without him... gosh it seems so unreal that he was taking way to soon.... he had a very special place in my heart and that place will always be there... and I will forever be great full for the time that we all got to share with him... I love you so much uncle Jay and may you rest in peace....
