“ It is almost a year since you left us and it does not get any easier. The memories keep flowing back. It is so hard being the last of our family. I remember all the times we played Cowboys and Indians together. I know you are in a better place and that makes it bearable. Love and prayers for you and your family.

“ It has been almost a month since you left us and I am missing my little brother and pal. We were each other's shadows growing up and had many wonderful childhood moments and memories of play in the many cities that we lived in when Dad was transferred around the U.S. I am the only one of our immediate family left and it is a lonely feeling. Jimmy has been on my mind and always will be.

“ Sue, James and Pam-I just heard about Jim and I can't believe it. It wasn't that long ago I spoke with Jim.He seemed like the same chipper, enthusiastic, warm and fun Jim I've known since 1974. I still brag about and share stories of Jim and his fantastic sales ability and the ability to make everyone love him. I am happy our lives crossed, but will miss him. May God grant you peace in your time of grief.

“ Sue and James, We are so saddened to hear of Jim's passing. I have great memories of him from "the old days" at Don Jacobs where he helped me get my start in sales. He was inspirational and the epitomy of a true salesman, not to mention an all around fantastic man! Our thoughts and prayers are with you...memories of him make me smile.
