“Tears stream down your face
When you lose something you cannot replace

Lights will guide you home
And ignite your bones
And I will try to fix you”

Shannon and David,

One of my favorite songs, *Fix You* by Coldplay, came to mind this morning as I sat and thought about Jimmy, you guys, and the pain that comes with such a loss. I longed, as the lyrics say, to fix it. Yet, I know there is nothing that can be said or done capable of bringing back that energetic, generous, kind, and lovely soul. So, I will just say that I am sorry and that you and your families are in my thoughts. Ken is heartbroken. He loved Jimmy like a brother, as you both know.

All my love and heartfelt sympathy,

Renee' (Marcum/Howell)
