“ *I will always remember the many nights I would stay all night with Jamie when we were growing up. We had the best times, and she was my best friend. I am so thankful we were able to reconnect in recent years. She had a smile that could light up a room and a special way of making you feel loved. I loved her, and I will miss her. I will be praying for John, Gail, and Abby for comfort in the coming days and weeks ahead.* ”
