“ When I started working at Walmart 10 yrs ago he would play pranks on me because I was new. He would tell me i was doing it wrong and I would always ask someone if he was right but they would just laugh and say stop messing with the new hires. But would just smile and say welcome to Walmart. The last year I worked there he was my boss in electronics and he was a great boss always willing to help and say you did a great job today. I was shocked because no other manager ever said that to me in my 10 yrs at Walmart. He went out of his way to help and to be the great boss he was. You will be missed Jason by everyone. R.I.P and fly high Jason.

“ *Jason always had a smile and a twinkle in his eyes. Walmart 1140 won't be the same and has lost a good man.*
