“ Frank, Georgia and Frankie Joe, So sorry to read of Reba's passing. She was such a good friend and one of Boodle's favorite classmates. They always had so much fun at class reunions, talking about all the good times they had in high school. Due to Boodle's health, we will not be able to be with you all for visitation or the funeral. Please know you will be in our thoughts and prayers. Betty and Boodle Curtis

“ Georgia and Frank- I was so saddened to know that Reva had passed on. Your mother was so kind to all that she came in contact with. Rick and I will keep you and your families in our prayers. Carlie has had Reva on her heart and mind for awhile now and she says she will truly miss her, but she feels God has answered her prayers, because she didn't want her to suffer anymore. We love you all. God Bless. Rick, Sheila and girls, Stanton

“ Georgia - We are so very sorry to hear that your Momma has passed on. However, as hard as it is, we need to remember that she has passed on to what she has worked for all of her life - her heavenly reward. Her hugs and kisses will be missed by you but each time you miss that hug/kiss (which will be numerous), take a deep breath, put your hand to your chest (to feel the beat of your heart and the life she gave you) and thank God for the wonderful Christian Momma you had! Love and prayers - Darlene & Donnie

“ I am so saddened the world lost such a wonderful person. Reva was always so special to me, I would go straight to her office every afternoon when I was in elementary school and talk to her while I waited for my mom to get off work. Everytime she passed the pharmacy counter while working I would get a wave, a smile, or we'd chat for a bit. I will miss seeing her smiling face, my thoughts and prayers are with all of her loving family.
