“ We are so sorry to hear of Mark's passing. He was a good friend that will be greatly missed. We have known him and his family for many years and had many conversations with him. We always let them park their equipment anytime, on our lot. Mark always came inside the building to talk with us, every time that he came to the lot. He was a wonderful person, a good friend to all, and we are blessed to have known him. Sending prayers to his family and friends. James & Cynthia McDaniel & family

“ I am so sad to hear of Mark's passing. We had many good trips together. On one trip, for some reason, we started calling each other "fool" along with another teacher and a band booster. It stuck for 30 years. Every time we would see each other, it was "hey fool". Mark, buddy, the world is a lot less happy today because you're not with us. Rest well, you've earned it. Until the next time we meet...
