Where to begin, I do not know, How to express the Love, Joy and Happiness you gave to so many! I will never forget the day we met! This 4 year old girl running up to us, whom she never met yet. We had our sons all buckled in the car as Jess ran to us to say, Can I go with you, its ok! Ill just tell daddy and mommy its ok because you has kids and we want to play! For 31 years that is just what they did! Never an occasion that our Jessi wasn't near! Not enough paper to express all the Cheer!

Fly with the Angels and take care of those White Doves! You have left all Our Hearts filled with Great memories and lots of Love!

*Until we meet again!
Love you,
Vicki and Arnold*
