“ I have a lot of fond memories of Martin Branch freewill Baptist church. Brother Joe and his family were a big part of that church & those memories. He sure was a driven force in serving the Lord. I send my condolences to all his family and I pray, each one of you, find comfort in the Lord during this difficult time. Don't be sorrowful, your daddy is at peace with the Lord.

“ I will miss my brother and I will fondly recall the memories of our childhood...roaming the hills, fishing and swimming in Beaver Creek, camping, and having our little disagreements. Then there were the Saturday matinees, and Little League baseball, school, and watching the baptisms in the creek by the Old Regular Baptist ministers.

*I will also remember having Joe and Josh drop by on their occasional treks to Golden Corral or the Chinese Buffet. We always shared stories of our military days and the memories of growing up in Garrett, politics, and our children and grandchildren.*

*Joe was a good brother, but more importantly, he was a good man who shared the Gospel with everyone he met, and I'm confident he is now with Jesus!*

*RIP Joe!❤️*

“ *I remember Joe dropping out of high school at Garrett to join the military. After serving his country as a paratrooper in the Vietnam War. he decided to go back to high school to get his diploma. But Joe wasn't like the other graduates, because he had experienced the devastation of war. Joe didn't feel like the other young men, because of all he had experienced. Joe and I graduated together, but he chose not to go on our senior trip. Looking back,. I think he was suffering from PTSD. He was always a good brother, and I will miss him greatly. However because of his faith in Jesus, I believe he is now present with the Lord". I love you brother!*

*Uncle Joe will be missed. He was a good man. Kind to everyone. I appreciate the times he came to Indiana especially after dad and mom passed. I always felt like he was making sure his big brother Dicks kids were doing ok. We would go to church and Dickie so enjoyed those visits. Will miss those talks and catching up on everyone of the kids. Uncle Joe loved his kids , grand kids and great grand so much. I know with all my heart his with the lord. Prayers for Deb and all the kids. Love you all.*

*We was blessed to have known Joe thru our son Jason being married to his beautiful daughter Sarah... From the first time I met him... His love for his heavenly father was known to all... He was such a humble man and an inspiration to me... Just knowing his heart was in the right place should bring comfort to the family... He is now pain from and resting high on that mountain... Our greatest sympathy goes out to all the family..*
