“ *He was one of a kind for sure. If he touched your life for any length of time, then you know what I mean when I say you'll never forget him. The times I got to spend with him were always fun, and I'd have a hard time picking just one as my favorite. As we get older and have to let go of the people we love, you realize just how precious and short the time was that you got to be with them. I'm glad I got to spend quite a bit with Uncle Henry. He most definitely made a lasting impression on me.....I'm going to miss you*
