“ I am so happy we got to celebrate her 63 birthday with me! I grew up in the same house with Joe for a long time. Then we would make regular visits once they had moved to Mt Sterling. Her brother Mike Vires moved right beside us instead of leaving. The whole family from the tike I can rember was a part of out lives. My first memories of the whole family was when we would visit them in Pensacola Florida. Josephine was loved by many and will be missed the same.
