“ I will always remember all the rides and cooking we did. Everytime I play corn hole I will think how we tried beating our men. When i eat Polish sausage with peppers and onions I will think of you. There's a lot of things that will make me think of you. I will miss you so very much! She always said we were so much alike and laugh when I did or said something silly. I loved hearing her laugh. She said I waslike her daughter ad I would tell her she was my second mom. I Love Her Very Much!!!!
