“ *I had the pleasure of going to school with Josh. He was always very quiet but always wore a smile. I know his loss will be felt by so many, but his smile helped many people through their day and hard times. Please know I'm praying for you all today and the days to come.*

“ This man never failed to make me giggle when he laughed and my goal was just to put a smile on his face. I have had quite a few late nights working with Josh and he genuinely was one of the smartest men I knew when it came to mechanics and has helped me many times. You will greatly be missed Josh.

“ Josh was someone I always went to for advice or just someone to rant to. We always joked with each other. Anytime I felt like I had a problem with my car he would always be willing to look at it for me. I could consider him as one of my “besties” as I would say to him. I will miss you joshy ☐
