“ To the family of Kendeall Tipton, I am sending my deepest condolences over the loss of your dear loved one. I have very many fond memories of Kendeall in the latter part of his life as he was in a room next to my precious daddy at the Stanton Nursing Center & every day I just had to stop by & chat with him for a while. We both looked forward to our little visits each day. And, also he was always one of the first ones to let me know that he needed an absentee ballot to vote in each election. He never missed the chance to cast his ballot & I teased him a lot about that. I told him "You know if you don't vote you can't fuss about the way things are going because we won't have to listen to you"! It was just an ongoing inside joke between us. I am going to miss that terribly & I know you are going to miss him terribly as well. Please know that my thoughts and prayers are with you during this difficult time of loss. Sincerely, Rhonda Allen Barnett
