“ Angelyn and Bobby, Kevin was a very special young man to me! He and Gary was one day apart and they were so much alike. Always knew how to work and never gave up. I loved him like my own and I think of him so often. I never seen him unless he had that smile and always had a hug for me. You'll never know just how much I needed that hug and I think he knew it! I know in my heart he's with God now and they are waiting for all of us. I love you Angelyn because you have always been so good to me. If you ever need me all you have to do is call. You are always in my prayers.

“ Kevin was very special to me. Wherever we met he always had a big hug for me. He was 1 day older than my Gary and somehow that made him feel like my own. I loved him like a son, special friend and a wonderful young man! We can't understand sometimes why God brings so much hurt to us "and this hurt is almost to much to bear" and we have to trust in him to help us. I love you all and my heart and prayers are with you.

There's not the right words to say, Kevin a very nice smiley young man, will most certainly be missed Bless his heart, I just wish there was something we could do to comfort Angelia and Bobby in their time of need, Praying the lord hold and comforts them and gives them the reassurance they need to get through this, Such a Loss for a Mom and Dad to have to face, If there is any thing I can do just let me know Joanne, God Bless and keep them in their time of need!
