“ *Larry and the Hatton and Pelfrey families have been a blessing to my life for many years and the Pelfrey family has been a wonderful part of my life dating back over fifty years ago to Camargo Camp Meeting Days, and then, for many years with their wonderful musical talent. Life is better for so many of us because of Larry and his family and he will certainly be missed by all of those who loved and knew him. I consider in a great honor to participate in his funeral service and I pray that it can be the tribute to his life that he deserves. The thoughts and prayers of Elaine and I, and the Owingsville First Church of God are uplifting you, and may the power of faith, the strength of family, and the comfort of friends, sustain you through this time of grief and loss. God bless you!*
