“ I just found out today that Larry had passed away. I stopped at our old place of employment together in hopes that he was back working part time again so I'd get to see him today and found out about his passing. I told Russell he ruined my day. This man took me under his wing 20 years ago and taught me so much not because he had to but because he wanted too. We became close. He loved his family like no man I ever worked with. He was a true friend that lead by example. As Mike Corey said I had so much respect for him! So sorry to the family. I'll never forget his kindness to me. What an amazing friend!!!!

“ I was telling my mom, Irene, two favorite memories of Larry was when he went and got pops for all of us and he gave me my first Ale 8 and every time I see them I think of him. And up on the farm with the neighbors crow always calling out. "TIME TO FEED THE CHICKENS"! I STILL TELL PEOPLE ABOUT THAT! I know ya'll will miss him terribly. I really enjoyed eating our meal with him and he met Duane after Massi's funeral. Larry was special. I am so sorry for your loss. May God Bless All!

I introduced Mary Ellen and Larry way back in the day, loved him and will miss him very much. I will be unable to attend the funeral because my husband is very sick. But my thoughts and prayers are with Mary Ellen and family.
