“ Our thoughts and prayers 🙏❤️ are for Lena's family, Teresa, Tim, Lori Beth and all her grandchildren and family members. Lena was a special lady whom we loved and will miss, we shared so many wonderful precious memories together from growing up in same neighborhood where she, my mom and other moms put up with all us neighborhood kids, fixing lemonade etc. Our family loved sitting with her at ballgames, soccer games, watching our grandchildren together. Michael always looked forward to spending Halloween night with her and Ray, we loved being their neighbors for 5 years on Holman Dr, no matter where I saw her always got a hug and said our I love yous, our hearts are broken by her loss but we will never forget her and cherish all the many years knowing her and Ray and their beautiful family, she definitely was a very sweet and special lady ❤️ she'll be missed by us and everyone that had the pleasure and blessing of knowing her. ❤️ Lena has definitely gained her wings and reunited with her love, Ray. Teresa, Tim and Lori we love all of you ❤️ and your in our thoughts and prayers 🙏 may God give you the strength to endure all your going through today, tomorrow and all days to come. Love Sheila and Michael Begley and all our families including mom and dad, George and Betty Neal they sure loved them and great friends.

“ When I first started working in the insurance office, Lena was determined to set my mind at ease. We would have morning talks when we got to work with our coffee. She always knew just what to say when I needed advice, and oh how she bragged on her children and grandchildren. It wasn't long before I adopted her as my new grandmother and grew to love her so much. Her precious soul is missed so much. The office has a void where her presence once was. I pray all the time for comfort and healing for the family, who I know loved her as much as she loved all of them. I am TRULY blessed to have known Lena and had her in my life. Her legacy will live on in all who knew her. Even though we all are hurting and grieving her loss, we know that she's rejoicing with Ray up there in Heaven and can you just see those big smiles? Until we meet again, I love you Lena and may God rest your soul.
