“Lois and I met nearly 6 years ago when we moved in across the street from her house. We became very good friends. She was a great hostess and we have had many meals together. I will miss her laughter and her company.

“ *The laughter, fun pranks and complete joy of knowing Lois not just as family but also as a wonderful friend has been awesome!!!! No one could throw a party quite like her and pay so much attention to detail and make sure everyone had enough to eat. She was so thoughtful and loving to all of her family and friends. She and Ann were no doubt Siamese twins!! She could be a fierce lioness when it came to the protection of her beloved children or brothers. Bobby and I feel very lucky to have had her in our lives all those years. We love and miss you Lois all the way from Texas!!!!*
