“ Granny... Words can't express on how much that I'm going to miss you. Also, everything you have done for me and others. You have done without to help me along with the other grandchildren. I will miss you calling every night to check on us to make sure we are all ok. You always wanted to give things, but you never did want anything back in return. You made sure we all were taken care of. Life won't be the same without you in it. I LOVE YOU SO MUCH!!
