“ *I will forever be grateful and thankful for your piecemeal in my life. You brought a light into a dark and stormy world, especially when I just needed someone to sit with me. I woke up this morning and thought of our regularly scheduled morning jokes. I will miss your beautiful smile, sweet face, and even you rolling your eyes at me all the time. I'm grateful to have you as part of my journey. Even though it was a short time, you made a huge impact on me. I love you always.*
