“ I miss you so much Louie (DAD). You have been a part of my life for many many years. I would not trade that for anything. You have guided me, listened to me and told me the truth every time. My heart breaks knowing that I can not come and talk to you any more, but I am at peace knowing that you are with Jesus and everyone. You are not in any pain. You will be missed for years to come by so many people. I love you my second Dad. I will see you again.

“ To the family of Louie Brewer. I am so saddened by your loss. Louie & Donna were so precious to me, as I know they were to you, the family. I will never forget his "sense of humor" & that BIG grin on his face when he "got something" over on you. He was definitely a very unique person whose legacy will live on forever. My love & prayers go out to his family, but please know in your hearts that HEAVEN has gained one precious soul, one who will NEVER die & will not EVER suffer again!

*Respectfully submitted,

“ *Louie is more of a brother instead of an uncle who I loved and he will be missed very much. I love hearing you tell jokes and stories. Noone else could tell stories like Louie. I know that you will in heaven with Little mama and dad and you will talking and laughing and I can hear you asking Little mama what she's doing and she would answer you by saying, just sitting hear looking pretty. Love and miss you Lou, Charlotte*

“ *Louie was a gentle, humble, kind, loving Christian man -one of a kind, for sure..... I've lost one of my best friends - but I know he is in heaven with one of my other best friends, Donna, who I miss every day - and I'm sure they are smiling, singing and so happy to be together again and rejoicing in the presence of our Lord. Louie always made me feel beautiful and smart and loved - and I loved him as well. Louie will be missed but never forgotten, and I look forward to seeing him and Donna again some day.*

“ *Louie was my dad by choice but not by blood, when he and mom meet he took us both. He has been there for me for as long as I can remember he was the one taught me how to tie my shoes, ride a bike and drive a car. I love you with all my heart and always will. I can never thank you enough for being so good to me and to my mom. May you rest in piece you will be deeply missed.*

“ Louie, you were one of a kind, you always made me laugh. I know how much you enjoyed Mike's cooking, and Doug's preaching. You were so full of life, even when things seemed dark to others, that you were going through. I don't know how you did it. It takes a strong man to endure some of the pain and sickness that you had at times. I know the angels have you now, I love you as my uncle. Will pray for your loved ones here. You will be missed.

Messiah, your dad had such a wonderful sense of humor, and always willing to help those around him. I'm glad I was priviledged to know him as a friend.
