

Louise Huff Abner

February 11, 1922 - August 3, 2021

It is with heavy hearts that we announce the passing of our beloved Mother, Louise Huff Abner, age 99, on Tuesday, August 3, 2021, at Sayre Christian Village, Lexington, Kentucky. Born on Wilder Branch, Confluence, Leslie County, Kentucky, February 11, 1922, she was the daughter of the late Nelson Huff and Mary Sparks Huff Tinney. Along with her parents, Louise moved to Powell County at age 13, lived on Hatton Creek and attended Powell County High School.

Louise married the late Green Mitchell Abner in 1942. They farmed for many years on Pecks Creek before moving to Stanton, where they owned and operated Abner's Market in 1960s. After her husband's death in 1970, Louise established and ran Abner's Sundries, also in Stanton. In addition to her parents and husband, she was also preceded in death by her sisters, Sylvia Huff and Opal Huff Ball, and brothers Lester Huff and Curtis Huff. She is survived by her children: Steven G. and wife Lula; Christopher N. and wife Jean; Rosemarie and husband Cecil Runyons; Timothy K. and wife June; grandson, Jason Abner. Also surviving are many nieces, nephews, cousins and friends.

No services will be held; visitation is 3:00 p.m. to 5:00 p.m., Saturday, August 14, 2021, Davis and Davis Funeral Home, 777 West College Avenue, Stanton, Ky. Please join us in reminiscing and celebrating Louise's life.

“ Louise, what can I say? You are one of the nicest persons I have ever known. You were there to encourage in a very trying time. My dad n his family had moved to MI and my mother n her family moved to Owensboro and my place of employment was on strike. You gave me good advice that has helped me many times over the following years. Thank you my friend. I will see you again. 😊

“ Louise, For a long time, I thought it strange the Post Office sent your mail addressed to your Furnace Mt. home, to our mailbox way out on Hatcher Creek Rd. If it had been almost any mail, I'd have taken it to the P.O. & said it was delivered wrongly, I had to do that a few times, but it was a copy of a periodical Subscription that we also took, & let me know we had something in common. I looked your # up in the phone book, called, & took it to you. That developed into more visits & conversation at your home. I've finally realized the mail wasn't a mistake, but was God's way for us to get to know each other. It has led to another blessing, for I've come to know your daughter Rose, so sweet & dear. Also, I'm convinced the special article Joe Bowen had in the paper, done before you passed on, was God's timing to let many others know about you. Over the years many would not know you, nor would I had it not been for the mail, but his story shined a special light on you for many to know. Both these situations prove, the God you love has been with you, and still is. The blessings for you are not over!, He will comfort & bless all your loved family. Love, & still prayers for you, and for all,
