“ Sweet Louise oh how this makes me sad. I met Louise back in 90s when she drove a Taxi. She became more than a Taxi Driver she became a friend and someone I admired. She would tell me her Family problems and I would yell her mine. We lost touch but I have never forgotten her and she made an impact on my life. She was a little Woman with a big attitude if it was needed. .My heart goes out to her family because I know their loss is great, because Louise was a wonderful lady.
