“ My beautiful momma. I miss you so much already. I have talked to you almost every single day, as soon as I wake up for the last few months. Today was different. I couldn't call just to see if you slept ok, or see if you needed anything, or just tell you that I love you. I'm so glad I hugged you so tight the last time I was over there, but now I wish I had hugged tighter and held on longer. I know in my heart that you know exactly how much I love you. I just can't imagine never hearing your voice again. Feeling your hugs, and your hand squeezing mine. I was blessed to have you in my life for almost 46 years, but I wasn't ready for you to go. I love you so much mom and miss you dearly. Now you are my angel...
