“ I met Martha when she was 25 and I was about to become her sister-in-law in a couple of years. She was a ball of fire! She was full of life and energy, and continued that way most of her days. She and I truly became sisters in the Lord, and we enjoyed singing and playing music together in praises to our Lord. She and Dale, and John and I had many "church services" in their home. I loved her and will truly miss her.

My sister Martha was a natural singer and a great piano player. Over the years as we got together from time to time to play a piano and dobro combo, our music would just "click", or smoothly blend together, as we felt the Spirit of God start to move in it! There was nothing like THAT sound with the anointing of God all over it! I will greatly miss her and the good times we shared over the years. Truly she is now with the Lord - and has found her eternal rest in Jesus!!

“ *I loved Mrs. Martha. I remember so well the time she was cannin maters. I remember her tellin me how she did it while I was watchin her... The smell of the maters cookin, how hot it was in that house, the sound of her laughin.. One of my most treasured memories. She was always very good too me.*
