“ My Uncle Corky was one of the best people I've ever met. My boys loved him so much and would always run right to him when they saw him. He had a smile that could light a room and always gave the best hugs. He is going to be truly missed by everyone.

“ I am so sad to find out that Corky has passed away. I know how difficult his passing for his family because I was fortunate to be in his extended family. I was married to Virgie's son Robert Costello, and we had two sons, Darian and Dakylan Costello. From the first time we met, he treated me like I was his daughter and always had smiles and a big hug for me even if I saw him at Walmart. He absolutely treated my two boys like they were his actual grandchildren. He was sweet, kind, and extremely loving. My whole family looked at him as the great person he was to us! I will miss him and wish we had more time with him. Corky was a big part of my family's life, and he will always be missed by all of us.

“ My brother was and forever will be the best brother a sister could have ever had. Corky was always there if someone needed him. Corkys laugh was always infectious and made everything better. I will miss hearing him answer his phone saying, “Yello” and laugh....I miss him so bad and it doesn't seem real that he is no longer with us but one thing for sure he loved his family and his Lord and Savior. Until we meet again in heaven Corky, I'll carry you in my heart and mind forever. I love you brother, RIP Go rest high on that mountain.

Anita Borders I'll never forget how you handled my dad's funeral and didn't want to include me and Lil Corky. I hope you're happy with yourself. Because I know Daddy isn't.

“ Corky was a very good man with a good heart. He loved his family, his community and most important his Savior. As his brother-in-law, he called me his “brother” because he had 6 sisters. He will be missed by his friends and family. But take comfort, Corky is now “home”.
