“ *Marvin was a very kind gentleman, who was always pleasant to talk to. I had the pleasure of meeting through my job. I met several of his family members and know that he will be greatly missed. Today Marvin is rejoicing and has gained a pair of wings. He is no longer sick and united with his wife, son and his daughter Fredia. All the family are in my thoughts and prayers. May God comfort each of you in the months to come.*

“ *Memories are lifelong. I could write a book of memories. Marvin was more than a brother in law. He was my family brother. He will be missed by our family and also the many friends that he had made through his 77 years on this earth. My sis Lela is rejoicing as she welcomes him into the gates of Heaven with our families anxiously awaiting. Rest in peace brother.* ”
