Tribute Wall

“ *To My Beloved Sissy,*

Through the tears of my overwhelming grief,

In the arms of an Angel you were carried away,

They say there is a reason,

They say time will heal,

Neither time nor reason,

Will change the way I feel,

There will be no end to my journey of grief,

Because there is no end of my love for you,

In life there will be times,

When we will unexpectedly experience,

A beautiful Angel coming into our lives,

For me, that Angel was my beloved Sissy,

She was the most unconditionally loving human I ever met,

Sissy walked amongst us touching all our hearts,

With her most beautiful and ethereal soul,

The “Gates of Memories” shall never close,

*Someone so special will never be forgotten,
Happy times shared will forever live in my heart,
Wonderful memories will live on endlessly,
I will always miss you more,
Than anyone will ever know,
Till we meet again my precious little Sissy,
Always and Forever,
My Love Thru Eternity,
Cookee*
