“ We knew Mary along time, she was Mary Richardson in her 1st marriage until her husband Gilbert died... he was a sweet blessed man, they used to travel in their rv and go sll over to fl in the winter., to Mexico everywhere, then Mary Marie’s Jack lane her 2nd husband they loved each other for many yrs too, but he passed away too of cancer I think.. and then it was just Mary and her fish and cats.. then I heard she went into a nursing home, she had took a stroke alittle before that they said I seen her once at the drs office of Julie Kennon, I asked Mary did she rember me, but she didn’t it was sooo sad, because my dad and mom had know Mary a long long time... abut she’s in heaven with them now, and I’m sure she rember them all..
