“ Aunt Mary, I know the last time I seen you you had a smile on your face and that is the way I want to remember you until we meet again and I know now you are laughing and rejoicing with your loved ones in Heaven. I truly loved you with all my heart and so did my boys whom you always asked about. And Daryl and I will always miss the big hugs you gave us when we saw you but we know we will have that to look forward to when we all get to Heaven. A "big" hug from you and I know most of all a big hug from our Lord and Savior "Jesus". I will miss all the times you prayed with me and all the times you sit with me when I was sick as a little girl and with my family. I know this was your calling from God to comfort people in their time of need. And you were always there for us. I know I have been sick and not been able to be with you like I wanted to be-- please forgive me--but I know "you" knowed in your heart how much we loved you. Debbie, Teresa, Ricky and all the family-we love you and you are in our thoughts and prayers.
