“ *I met Mary when she first moved to Ky, she was looking for someone to work at the cabins, I went and talked to her, she hired me at first sight. We cleaned cabins together, done catering together, visited each other a lot. We became really good friends, had lots of fun and laughed and cried together, we just clicked. We liked each other from the first time we met. Mary was such a nice person, she could be firm when she had to be ,but kind. She was a fair person to all but never let people get by without doing their job. Mary and I enjoyed working together, and I will miss her so much she was a special lady to me and I loved her. She was and will always be my friend. Goodbye my dear friend and know you will be missed.*
