“ *Maxine, I got to know U over the past 5 years as u was in and out of the hospital. You was so loving, caring, and a wonderful person. Always trying to make a joke no matter how bad U felt or what was going on. The conversations we carried on with I will treasure forever. Never will I forget spongebob square pants, tight blue jeans , and U always wanting your hair fixed like mine. I'll never forget U and u will ALWAYS have a special place in my heart!! Love u and rest in peace my wonderful friend.*
