“ I am so sad to hear he is gone. I have tried to get ahold of him via Messenger as that is how we chatted but saw the account was gone. I think on a subconscious level I knew something was wrong but didn't have a phone number for him to find out. He was an amazing father, life long friend, and overall a great person. He loved his fur babies with everything he had and I hope they have someone taking care of them with the same amount of love.
My daughters adored him and I remember when he came down with his now ex-wife how thrilled he was to meet my oldest daughters first baby. He thought Baylee was the cutest damn thing until his own sweet granddaughter came along. He will never be forgotten, RIP old friend I miss you dearly. I will play Alabama every New Year's Eve and pretend its you singing to me like you used to every year.
Love you Mike.
