“ *Every moment around Mike was meaningful. He was kind, funny, with a heart of gold, I cannot pick one memory to share, Except maybe Camping at Cave Run. That was always an adventure. From fishing to fighting the camping neighbors for cussing in front of the ladies and kids, and OH if Donna had on her slippers it was gonna be on with her to, but she didn't, so no kungfu fighting for Donna on that trip. Mike always had your back and would do anything for you. Pure Gold*

“ *Mike always seemed like a brother to Donnie insread of a cousin. He ws at our home almost everyday as he was a young teenager & a young man. His loss leaves a big pain in my heart. He was a good man whom took care of his Mother while she was living, a big part in the Gabbard & Sparks family. He will be missed by so many. He is now in peace with his son & Mother. Love you Mike.*
