“ *Gail and family, so very sorry to hear about your Mom. Always enjoyed my visits with her. Her and Jim (her dog) would be going to the mail box when I was walking my dog and e would talk. Remember when I was walking my dog, she was out on her sidewalk and she told me her dog had passed away. She loved that little fur friend so much. My thoughts and prayers are with you and your family during this time. Your neighbor Laura.* 💕💕
