“ *My thoughts and prayers and those of the Owingsville First Church of God are uplifting the Nettie West Family through this time. Gary and Wilma have been a very precious part of my life for many years and we are especially mindful of their grief today and praying for God's comfort and for the comfort of the family and all of those who are diminished by Sister Nettie's passing.*

Nettie's Family, I am saddened to hear my friend passed away. She was a wonderful person. There is nobody that could pray for me like Nettie. I always called her before my surgeries and had her pray for me. I felt Nettie had a direct link with God. She always wanted me to come down and see her. We had many phone conversations talking and laughing about old times with Maude and Charlie Edwards. (My Grandparents) I will miss these talks but I know if anybody ever entered Heaven it was your Mom. My prayers are with all of you. Betty Leet & Bruce Dayton, Ohio

“ Prayers for strength and comfort in the loss of Nettie. She will always be in my heart and memory.
I really enjoyed taking mom to visit her. She always had at least one quilt to show and I got to hear the family history through her and mom talking.
I remember being fascinated that she left her bird cage open so it could fly when it wanted.
She was a great lady and had a strong faith in God.

“ So sorry for your loss. I know how much laughter your mom brought. We will keep the whole family in our prayers. She was one of my special aunts. I always enjoyed my visits with her and I will always remember her laughter. I have a quilt that she made for me and I will treasure it always.

“ Nettie was a wonderful neighbor and always had a meal on the table to feed anyone who might drop in. An excellent seamstress, she made the most beautiful quilts ever. What a loss to the Cane Creek Community. Cyle and I send our deepest condolences.
