“ My Dearest Sherry,  
Yes I will call you Sherry because that's who you've been to me all my life that I have known you. As we met way back in the 60's when my sister Sandy married your brother Edgar. I think we became sisters then. I am also really glad that in 2013 I got to spend some time with you here in California and then back in Kentucky for the unfortunate funeral for your brother and my brother-in-law Edgar. I remember us talking about being the black sheep of our large families, as you have 3 brothers and 5 sisters, I have 4 brothers and 3 sisters and of course you were my 4th sister, because I have always loved you. You are an amazing woman and now you are in God's hands and with your family. May you rest in peace Sherry <3 <3

“ Nova well not easy to explain a wonderful woman who has been with me my entire life from a neighbor to the best fb friend anyone could have. I loved her like a second mom and a week before she passed she told me she loved me as her own. I didn't know how sick she but heaven gained a true angel this weekend and she will be truly missed by all whom loved her. Rest in Peace strong woman. Gone but never forgotten. Love you to the moon and back....
