“ Mary, Al & I are sorry to hear of Art's death. In our hearts we know he is in a fantastic place in heaven, but his family & friends will miss him. We had such fun times with you two when you were in Charleston. You and the family are in our thoughts & prayers. We left Charleston Thursday to visit David and his family for David's 41st birthday on Friday. We were talking about you & Art on our trip, wondering how you were since we had not heard any news of you lately. Then I called Mother when we got home today. She told me Art's obituary was in the paper while we were out of town.

“ Mary, we are so sorry to hear about Ottice's passing. Linda and I (Penelope's oldest brother) enjoyed your visit at Tommie's graduation dinner in Charleston. Although we had just met your husband, we felt that we could talk to him about anything. He was a hero and a great man. God has blessed him with a place in His Kingdom. Our prayers will be with you and your family.
