“ *Share a memory the Internet would be over loaded. I have so many wonderful memories with this Loving Father of mine. But I am selfish and wanted to make more memories. He is my Hero the perfect Father and the perfect Husband to my Mother. He may not have had money but he was so much Richer by far.*

“ *Ova was a very special person, caring and kind-hearted. He had a heart as big as Texas. He would give you the shirt off his back, if he knew you needed it. This was his way. He was friendly to everyone. I always enjoyed talking to him. In warm weather, when he was sitting on his porch, he always waved and smiled, when I came past his house. I would slow down and wave and he would look to see who it was. Then his arm went up in the air and a big smile came on his face. He and my dad were good friends and they were both a lot alike. He was a hard-working man and loved his family so much. He will be missed by his family, as well as the many, many friends that he had.*

“ *Ova you are a special man. It lays heavy on my heart that you are gone. I have many great memories of visiting you as a child. You was one of the humblest hard working men I have ever had the pleasure of knowing. May God wrap his arms around you and welcome you home. I know Mom will sure have a hug or two for you. I love you always.*
