“ I didn't know Paul, other than thru the many stories my dad told us many years ago. He and Paul worked together at Power Line Construction Company. He thought a lot of Paul and his family. My dad was Lawrence Ledford. He has been gone now for over 12 years.He was a good man , a very good friend to my dad.Praying for his family .

“ I always remember Paul as a man of few words but a good hard working, strong man. Donnie loved him with all of his heart. He treated Donnie like a son instead of a nephew. He was always there for him and for his family. Will always remember you, Paul with great affection.
