Tribute Wall

KM

“ I met Pearl almost 40 years ago when her son AJ and our son Jordan were patients at UK. They both had the same rare form of childhood cancer and passed away within 3 months of each other. Pearl was a very good mother and we shared our grief over the years when I would see her. She always talked about seeing AJ again and now they are together. Her grief is finally over. ❤️

“ Pearl was a little older than me, but I remember a little bit about her. Our Family was spread out so I did not get to see her much. No Matter I still loved her. Prayers for the rest of the family. Love Sondra (Barbara Sue's youngest.)
