“ My heart hurts because I know we will miss you so much. I'm so thankful we were blessed with so many happy years to make wonderful memories and love on you as long as we could. I'm selfish because I wanted to keep you here with us, but I know you're in a much better place!! You were the sweetest man I know and my love for you will carry on until the day I die. I will always be a papaw's girl.
