“ I went to high school with Rick and knew him well then but not so much in later years. I remember sharing our love of jogging at that time and hearing him gush about his white TransAM...and give a few rides. What a great guy.

“ We had the best of times at Cabelas. And man I'm sorry, well I'm sorry man. It's hard to find someone who you can approach that's always smiling! That goes exponential for me! I missed you man before this. I hope you find a resting place where you will always be remembered.
