 Tina Brooks

“ *I'm lost for words, Bob was Bob. From the Creed and Brooks family our thoughts and prayers are with you Mary, Stacy, and Flossie. Great times from working at the pizza place for years to teaching my son to ride his bike without training wheels. Scavenger hunts, sleep overs, late night swims, the list goes on and on. Your family has and will always have huge inspiration to many, glad I was one of those people.*

MJ

“ I cannot express how much Bob and Mary mean to me. I remember being scared of their dogs back in highschool, us kids practically lived at the Pizza Place. Bob told me that the dogs weren't shit eaters, I was safe then! Lol Thru these tears I give credit to a great man! Bob was our Dad, uncle, buddy, he told us how it was and we only respected him more! A smile was what we got from Bob, one that I will miss seeing at the middle school. Bob, thank u for adding love and laughter to my childhood. But most of all thank u my friend for never judging me thru my insanity. One of the best men I ever had the honor of being friends with ❤️
