“ *I worked with Robert for almost 2 years, and I know the world has lost an amazing person, he never failed to make you smile and had one of the best hearts in the world. There aren't many people out there like him these days and he will be greatly missed. Prayers go out to all his family and friends.*

“ *Robert was a kind person. He was an exrodinary person. When my husband & I came for a visit we would all get together hang out by their tree in the yard & have a blast eating & socialize with one another. The best part of our visit was to see how much fun he had pulling the kids on the mower & hear them all say Again papa again.... My condolences to all the family... We are all gonna miss him so. We love you Robert.*
