“ So very sorry for your loss. Robert was such a great guy, always positive and upbeat. He was a great role model and made such a positive impact not only on a lot of kids but us adults too! We should all strive to be more like him. He was very lucky to have you and such a wonderful family. He will be missed by so many, everybody that knew him, loved him. Prayers during this most difficult time.

“ So sorry Kathy. Many prayers to you and your family. Robbie was a great guy. My most treasured memories are from when my daughter was young and he coached her in Little League. We had so much fun and he taught her to never give up and keep trying. She has never forgotten him.
