“ *Grandma, I could write a book on everything that you have taught me since I was kid. Love is the greatest gift you ever gave me and the best lesson in life that I will carry with me for ever. I know the angels in heaven are rejoicing in your arrival. You will forever be loved and missed.*

“ *Making "grandma's candy" (potatoe candy). It took me 7 tries, but I FINALLY got it. She was so proud of me and told me, it took her that many tries before she finally got it too. I'm not sure if that was true or if she was telling me that to make me feel better. All I know is she was just as excited as I was when I got it. I love you Roena, and will miss my morning "I love you beautiful", text messages.*
